

Submission Rights Language for Field Testing NBPTS Components 2, 3 and 4

NBPTS owns my Submissions. I hereby assign all right, title, and interest, including copyrights, in my Submissions to NBPTS; grant NBPTS a perpetual, irrevocable, royalty-free, and unrestricted license in all other intellectual property rights in such Submissions (including rights of publicity); waive any rights that I may have with respect to such Submissions (including moral rights); and release NBPTS from all claims (including invasion of privacy) in connection with its use of my Submissions. In addition, I authorize NBPTS to excerpt my image, voice, and likeness from my video/photograph Submissions for use in promoting NBPTS.

NBPTS grants me the right to resubmit for certification purposes portions of my Submissions created as a field test participant for Components 2, 3 and 4 if I choose to participate in either the first or second year that these specific components are operational, and if I met the eligibility prerequisites for National Board Certification at the time I completed my field test. I understand, however, that the requirements for Components 2, 3 and 4 may change as a result of field testing or for other reasons, in NBPTS's sole discretion, and my Submissions created as a field test participant may not be appropriate to resubmit for certification purposes. I also understand that, if I resubmit my Submissions for certification purposes, they will be subject to the standard evaluation criteria established by NBPTS.
